

Inclement Weather Policy – Cancellations/Late Openings

The snow policy of All Saints Preschool is:

- If Montgomery County Public Schools (MCPS) close, All Saints Preschool is closed.
- If Montgomery County Public Schools open late, the Director will make a decision whether to open on time, at 10:00 a.m., or close for the day. The Director will leave a voicemail message on the school phone (301-654-2488, x233) no later than 7 a.m. as well as a post on the homepage of our website – allsaintschurchpreschool.net. We do not make up missed snow days.
- Special note – The Bumblebee and Frog classes will follow what the rest of the preschool does.

Note: In the event of unexpected early dismissal, the school will attempt to contact all parents. During bad weather or emergency situations, parents are welcome to take their children home early.
